Tanner Whipple has qualified to represent the United States of America in the 98th running of the International Six Day Enduro (ISDE) in Galicia, Spain from Oct 14th - Oct 19th. He is 1 of 21 club riders to qualify. This race is the oldest off road motorcycle event on the FIM calendar and is truly a test of machine, rider skill and reliability and has attracted national teams from as many as 35 nations to compete. Usually referred to as the Olympics of Motorcycling. Gold, Silver, and Bronze Medals are awarded. Expenses are paid individually by each athlete themselves. So come help us support Tanner, and send him off in style to represent our country the United States of America.
